

The Sheltering Arms Foundation

Caring for Minnesota's Children

MISSION

The Sheltering Arms Foundation's mission is to invest in the lives of Minnesota's children and help them reach their full potential.

We fund non-profit organizations and support policies that benefit children and their families who have the least access to resources.

VISION

The Sheltering Arms Foundation envisions a Minnesota that is a vibrant, thriving state where the opportunity gap for children is closed and all children have high-quality lives, including broad and equitable access to the following:

- childcare and early childhood education
- high-quality out-of-school time (OST) programming
- mental, physical, social, emotional, and intellectual wellbeing
- supportive opportunities for families and communities.

GOALS 2017-2022

1
Advance equitable solutions to close the opportunity gap.

Award grants that best advance early childhood objectives and out-of-school time programming. Pursue grantmaking opportunities that provide greater resources to organizations. Leverage partnerships to expand our reach. Convene, learn and educate for collective action and increase and broaden our connections.

2
Explore opportunities to expand the Foundation's assets.

Increase donations to the Sheltering Arms Foundation. Continue to hold Sheltering Arms Foundation to the highest standards of fiduciary responsibility. Increase the Foundation's visibility. Enhance communication to Episcopal congregations.

3
Optimize Board development and strengths.

Optimize SAF's board resources by continuing to align knowledge, skills, and contributions.
