

## Final Reporting Questions

---

### INTERNAL/EXTERNAL FACTORS

How has the COVID-19 crisis and/or other community unrest impacted your organization? (e.g. programmatic, financial, staffing, organizational structure, governance or other ways)

Word limit 750

### CHILDREN SERVED

Number of Children Served (auto filled from application)

Provide the actual number served. Also describe the populations served or communities reached during this grant period. (Use demographic data such as ethnicity, geographic location and gender.)

### OUTCOMES

This section allows you to report on the success measures, activities and measurement tools you described in your original application. Please note these fields will be auto-filled with your original responses.

Original questions:

- **We want to know how you will view success. Give us three examples of what success will look like in this program.** The Sheltering Arms Foundation values serving the whole child. One of these success measures should include supporting social/emotional development.
- **We want to ensure grantees have a plan for how to achieve success. What program activities will you do during the grant period to achieve that success.**
- **We want to make sure grantees have a way to measure if their activities are leading to success. What are the ways you plan to measure your work?**

Responses:

**Did the outcomes happen as intended? Describe the activities that resulted during this grant period, including any variations from your original intent and unanticipated results, either positive or negative.**

### FINANCIALS

Who else funded this program and at what level?

Word limit 250

With the onset of COVID-19 Sheltering Arms offered to its grantees that any remaining program grant funds could be used for general operating. BRIEFLY indicate if program funding was altered in any way.

Word limit 250

Attach a program budget for the grant period of July 1, 2019 to June 30, 2020.

In this budget document please show actual to budget, as well as how SAF funds were used. A side by side comparison is most helpful. An example has been provided on our website under "sample documents".
