The Sheltering Arms Foundation

The Sheltering Arms Foundation funds non-profit organizations statewide and supports policies that benefit children and families who have the least access to resources. These examples show how programs are making a difference in so many lives.

Our Vision

The Sheltering Arms Foundation envisions a vibrant, thriving Minnesota where the opportunity gap for children is closed and all children have high-quality lives, including broad and equitable access to:

- childcare and early childhood education
- high-quality out-of-school time (OST) programming
- mental, physical, social, emotional, and intellectual wellbeing.
